

Kingman and Heritage Islands a center for environmental education recreation and restoration of the Anacostia River ecosystem passed in the House last year and I am working hard to get it through the Senate this year. This bill simply requires the federal government to continue its recent commitment to protecting and cleaning our waters, as well as to be a good neighbor here in the District and throughout the country.

I urge my colleagues to support this bill.

HONORING DENNIS SHEPHERD—
2010 SODEXO HERO OF EVERY-
DAY LIFE

HON. WALTER B. JONES

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2010

Mr. JONES. Madam Speaker, in this world of such negativity, I think it is important to bring attention to the good things people do for others.

My constituent, Dennis Shepherd of Hubert, NC, has been declared a "2010 Hero of Everyday Life" by the Sodexo Foundation. The Sodexo Foundation is a committed force that contributes to ending hunger in America.

Every year since 2000, the Sodexo Foundation has recognized Sodexo employees who invest their time, talent, and service spirit in helping some of the 49 million people who are at risk of hunger in the United States. Nominated by a colleague, friend, or employer, selected Heroes are honored by the foundation and a donation is made to their local hunger-related charities of choice.

After serving 22 years in the United States Marine Corps, Dennis has been instrumental in the success of Sodexo Servathon at the USMC by organizing and delivering food donations to the Onslow Community Ministries Kitchen and Jacksonville Food Bank. Since 2004, Dennis has collected and delivered 18,000 pounds of food.

After Dennis finishes his regular work day, he volunteers at least 10 hours a week, doing charitable jobs including cutting grass and baking cakes to help gather food donations, supplies, and money for local charities. Dennis also engages in creative activities such as posting advertisements to help spread the word and encouraging others to help support people in need throughout the community.

Since 2004, Dennis has collected donations valued at \$20,000 for children and families in need. The award from the Sodexo Foundation has continued to open doors to Dennis' work. So far in 2010, he has already raised \$17,000—plus a \$5,000 grant that he received as part of the Heroes of Everyday Life award.

Dennis has been married to his wife Naomi for 19 years. He met Naomi while stationed in Okinawa, Japan during the 16 years he spent there with the United States Marine Corps.

Dennis also finds time to be a devoted father to his three children, Jonathan, Christina and Vega.

People like Dennis Shepherd make our world a better place to live, and I am proud that Dennis and his family live in the 3rd district. We could all learn from Mr. Shepherd's example and do more for our communities.

May God continue to bless Dennis Shepherd and his family, may God bless our men

and woman in uniform, and may God continue to bless America.

TATE LINDEMANN

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2010

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Tate Lindemann who has received the Arvada Wheat Ridge Service Ambassadors for Youth award. Tate Lindemann is a 7th grader at Oberon Middle School and received this award because his determination and hard work have allowed him to overcome adversities.

The dedication demonstrated by Tate Lindemann is exemplary of the type of achievement that can be attained with hard work and perseverance. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

I extend my deepest congratulations once again to Tate Lindemann for winning the Arvada Wheat Ridge Service Ambassadors for Youth award. I have no doubt he will exhibit the same dedication and character to all his future accomplishments.

AAPI HOSTS SUCCESSFUL
CONVENTION

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2010

Mr. WILSON of South Carolina. Madam Speaker, I rise to commend the American Association of Physicians of Indian Origin for their successful 28th annual convention. I was honored to join AAPI members from around the country at a reception on Capitol Hill, where nearly 500 physicians from 27 states had registered to make their voices heard in Congress.

As the past co-chair of the Congressional Caucus on India and Indian Americans, I have seen firsthand the professionalism, dedication, and success of Indian American doctors from rural and medically underserved areas to cities across South Carolina. I was recruited for the Caucus before I was elected by noted Lexington physician Dr. Kaushal Sinha and his wife Arunima, of Irmo, South Carolina.

I want to commend Dr. Vinod K. Shah of Maryland for his successful presidency and wish Dr. Ajeet R. Singhvi of California the very best as he leads AAPI forward.

This is an historic period for South Carolina where State Representative Nikki Haley of Lexington, a very successful legislator of Indian heritage has served as a Majority Whip and is now a nominee for Governor.

In conclusion, God bless our troops and we will never forget September 11th in the Global War on Terrorism.

THE REAL WORLD CONSEQUENCES
AND UNCERTAINTIES OF
HEALTH CARE REFORM

HON. DAN BURTON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 13, 2010

Mr. BURTON of Indiana. Madam Speaker, I have come down to this Floor many times over the past year and a half to share with my colleagues my profound concerns over the direction the Majority was taking with regard to health care reform. Regrettably, the enactment into law of Patient Protection and Affordable Care Act—accomplished via an unprecedented and extraordinary misuse of budget reconciliation rules—did nothing to alleviate my concerns. In fact, now that health care reform is law and the American people can finally see, in the full light of day, the law that the Democrat Majority wrote and jammed down their throats, a strong preponderance of Americans want this turkey of a law repealed.

I am firmly convinced that the credibility gap between what the Majority claimed its health care reform bill would do, and what all of the experts say it will actually do now that it is law, is a large part of why, according to the latest Gallup opinion poll, only 20% of Americans, a mere 2 in 10, have a favorable opinion of this Congress.

This Majority and this Administration has shown more disregard for the opinions and desires of the American people than any Congress and any presidential Administration, certainly of the modern age, if not history. It is time we listen to the American people; listen to the ordinary moms and dads and the small business owners who must live with the consequences—intended and unintended—of the laws that we pass.

To that end, I would like to share with my colleagues a letter I received from Pharmakon Long Term Care Pharmacy, Inc. and Pharmakon Pharmaceuticals; two Indiana corporations that provide pharmacy services to Indiana nursing and institutional facilities. Founded in 2003, these two companies have grown to over one hundred and fifty, 150, full-time employees serving more than six thousand, 6,000, people throughout Indiana and part of Illinois. I ask unanimous consent to include a copy of the letter in the CONGRESSIONAL RECORD after my statement.

I ask my colleagues to pay particular attention to the questions and concerns expressed in the letter about the Patient Protection and Affordable Care Act but I think it is also important to understand their observations about problems with Medicare and insurance billing as well as their concerns about DEA rules when it comes to dispensing medications; because these are the kinds of real world problems in our health care system that we should have been working to resolve if only we had been listening.
